Cherokee Award - Rosetta White, RN

Rosetta White, a nurse in the maternity unit at Carolinas Medical Center, recently won the Cherokee Inspired Comfort Award; one of just six nationwide winners. The award, given by Cherokee Uniforms, recognizes nurses and other non-physician healthcare professionals who demonstrate exceptional service, sacrifice and innovation and have a positive impact on others' lives.

Rosetta is a nurse that is remembered by her patients when they leave the hospital," said Linda Thornton, Nurse Manager, 4B. "Numerous patients of hers have come back to visit with their baby, just to see Rosetta. And as many patients as Rosetta has taken care of, she never forgets a face."

Rosetta has been a nurse at CMC for 39 years and continues to live out the hospital's

Rosetta White, RN

mission of providing uncompromising excellence and commitment to care. She is dedicated to her work and every single patient she sees. Rosetta has even traveled to patients' homes to deliver items they have left behind, knowing they did not have transportation to return to the hospital. She is a true inspiration to all employees at Carolinas HealthCare.

As a Grand Prize Winner, Rosetta received an all expense paid Caribbean cruise for two, a Cherokee Uniforms and Cherokee Footwear wardrobe totaling more than \$1000, a crystal Cherokee Inspired Comfort Award and a 14K gold-plated commemorative Cherokee Inspired Comfort Award pin.
